"Stand back," urged Twilight seriously, planting her hooves and drawing up her gaze to the puzzle. Her wings flared and her horn lit up with power. Her spellbook glowed before her, one of its spells shimmering on the page. "I'm about to try... MAGIC!"

"Run, run, run to the exit!" sang Pinkie cheerfully, hopping along and somehow dodging every piece of falling debris without trying. The rest of the party was in a mad scramble but they couldn't deny her cheerful melody helped.

"Really?" asked Applejack flatly. "A barbarian and a rogue? Sounds a little MAD." Rainbow scoffed. "Obviously. That's why I did it! A good barbarian's ALWAYS mad!" Twilight stared at Rainbow, fighting the urge to slam her own head into her book. - *The Bloody Spires of X'natka'rak*

Pony

Mane 6, RPG, Rarity

Delicate Operation (Copy): You may copy the power of any Pony card currently on the grid, except for Changelings.

"Oh please," huffed Rarity as she carefully wound the magic thread through Twilight's cape. "As if a master enchantress such as I doesn't know the value of a good INT bump for a wizard." - *The Bloody Spires of X'natka'rak*

The grimy dungeon castle was coming down around their ears and hooves, and Applejack crowed with excitement. She backflipped, frontflipped, somersaulted, and vaulted off the falling rocks, outpacing the party by a good five feet. "Better hurry up!" she laughed. "Ah'm about t'leave y'all behind!"

Goal

The lights are dim, flickering with lamplight. You settle into your seat at the bar nursing your cider, when all of a sudden you notice another pony eyeing you from across the way. She looks battle-worn, tough, but perhaps a little sensitive as well. Your eyes meet. Her head tilts up and she beckons you over, a lilt in her eye. What do you do?

Ship

Pit Trap!

Twilight sighed and rested her head on her forelegs while Pinkie tried to jump out, to no avail. She wished she hadn't spent all her spells on fighting the lich; now she couldn't even manage a simple teleportation spell!

Taking It to the Next Level

Ship

The ground around them swelled with light, beams shooting upward as a great chime and a whoosh surrounded them. In an instant it was gone, and they all looked around at each other. "Oh!" Pinkie chimed, "I can use fourth-level spells now! Sweet!!" - *The Bloody Spires of X'natka'rak*
